PERCAL

ROZAC

Percal Rozac. A base do alto padrão em cama.

Desenvolvidos para a confecção de jogos de lençol sofisticados, os tecidos da linha Percal unem tradição têxtil, tecnologia e rigor técnico. O resultado é um toque macio, estrutura precisa e acabamento refinado, essenciais para produtos que valorizam o design e o conforto.

Cada artigo foi pensado para valorizar o produto final e atender às exigências do segmento de decoração, onde qualidade, estética e desempenho caminham juntos.
